Directions via Pont Drift from Johannesburg to Tuli Safari Lodge and Tuli Bush Camps

Driving from Johannesburg guests should follow the N1 to Polokwane then the R521 to Alldays. At Alldays take a right turn signed to Pont Drift. Cars can be left at the Pont Drift border post, and the short transfer to the Tuli Safari Lodge / Nokalodi Tented Camp is free of charge. If guests prefer to drive to the lodge, the lodge is approx. 5km away and signed from the Botswana border post at Pont Drift (Nokalodi Tented Camp guests check-in at Tuli Safari Lodge) ... please note that this is not possible when the Limpopo River is flowing, in which case guests can either leave their vehicle(s) at Pont Drift on the SA side and utilise the cable car to cross the Limpopo River and we'll then transfer them to the lodge/camp; alternatively for those that wish to self-drive directly to the respective camps, please see the below directions via Platjan border (4x4's required). When the Limpopo River is flowing the river must be crossed by cable car at Pont Drift (P35 per person per crossing - approx. 3 people and their luggage can be carried on the cable car) and vehicles left at the border post. Please note the Pont Drift border facilities open at 08:00 and close at 16:00 daily. There is a third party permit required for all foreign registered vehicles. The cost is approximately P130 per vehicle, payable at the border (vehicle registration papers required).

For Molema Bush Camp Guests, Platjan border post is the most suitable border to cross for accessing Molema Bush Camp, hence please follow the directions below from JHB via Platjan, thank you.
